## THOUGHTS FROM THE EDITOR

“We are pleased to share the key highlights from Q2 2025. This quarter marked significant progress in advancing the UDA Framework. We conducted a UDA workshop at the **Sushma Swaraj Institute for IORA Member States** and participated in the **Dredging Conclave 2025 at FICCI**, bringing UDA to the forefront of India’s diplomatic and policy platforms. Our **UDA Summer Internship 2025 welcomed 25+ outstanding interns** from top institutions worldwide, selected from thousands of applicants. We also hosted impactful webinars, including a special session on **World Oceans Day 2025, featuring representatives from the Sasakawa Peace Foundation**, which deepened the India-Japan maritime dialogue. We hope you enjoy reading about our progress this quarter.

**Nishtha Vishwakarma**

Head of Communications and Outreach,  
Maritime Research Center

### MOU WITH OP JINDAL GLOBAL UNIVERSITY

On April 22, 2025, MRC officially signed an MoU with the O.P. Jindal Global University, Sonipat, Haryana.

This partnership is aimed at facilitating academic material as well as the UDA Toolkit to the students of the university.

[READ MORE](#)

### UDA WORKSHOP AT O.P. JINDAL GLOBAL UNIVERSITY

Parallel to signing the MoU with O.P. Jindal Global University, Dr (Cdr.) Arnab Das and Mr. Praful Talera, MRC's Advisor on Blue Economy, conducted an insightful UDA Workshop for the students and faculty members of the college. Students engaged in a vibrant Q&A session, reflecting their readiness to contribute to the maritime domain.

## MRC'S FIELD VISIT TO VERAVAL IN GUJARAT

MRC conducted an insightful field visit to **Veraval, Gujarat**, to better understand the livelihoods of coastal communities and validate our in-house **Area Production Yield (APY)** tool for seaweed and shrimp farming. The previous field visit was conducted in **November 2024**, where our team was deployed to **Ratnagiri in Maharashtra**.

[READ MORE](#)

## CHALLENGES FACED BY COASTAL COMMUNITIES

As part of the main objective of this field visit to Veraval, the purpose was to **interact with the fishing community and identify the socio-economic and environmental challenges affecting their livelihoods**. During our interaction, these fisherfolk mentioned the challenges they face while engaging in seaweed cultivation.

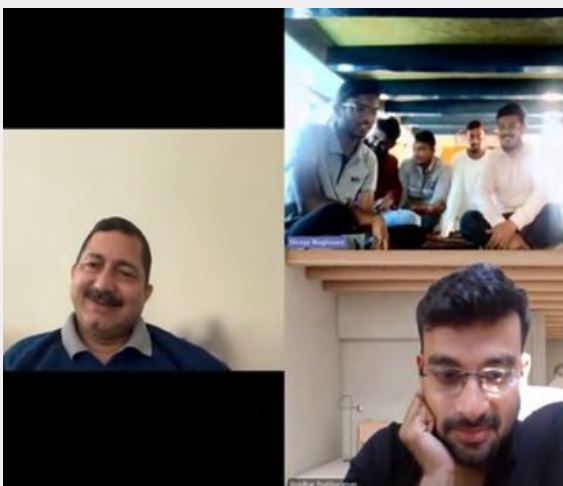

[READ MORE](#)
[READ REPORT](#)

## FIELD VALIDATION OF THE APY TOOL IN VERAVAL, GUJARAT

During our visit to Veraval, Gujarat, our team focused on **field validation of the Area Production Yield (APY) Tool**, developed by MRC. This tool is designed to support and optimise seaweed and shrimp farming through data-driven insights. Using the APY Tool for upgrading and enhancing the seaweed and shrimp farming was at the core of our field visit

[READ MORE](#)
[READ REPORT](#)

## TEAM INTERACTION WITH COASTAL COMMUNITIES IN VERAVAL, GUJARAT

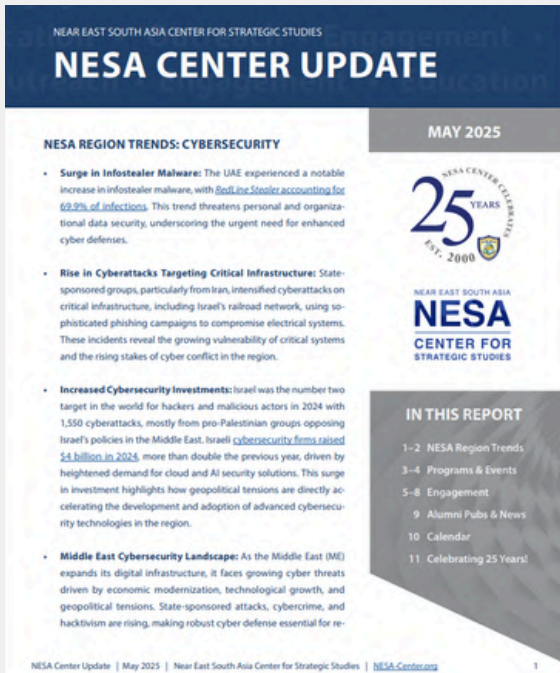

As part of the field interaction exercise, our team engaged with coastal communities in Veraval, Gujarat, through a **two-day virtual interaction, fostering dialogue on aquaculture, seaweed farming, and sustainable livelihoods**. Our team led a crucial conversation around income generation and the evolving dynamics of the fishing sector.
